ABOUT ME

Hi, I'm Allie Nicole and currently reside in Los Angeles County with my fur baby Bella. I have gravitated towards art and all things creative for as long as I can remember. Over the past 20+ years I have developed and nurtured an exclusive collection of skills, as I found my way into graphic design, marketing, branding, product development, home staging and event planning. I have worked within a variety of different markets, such as, real estate, short-term rentals, kids based businesses, entertainment industry, high-end events, retail and many more.

What sets me apart is my knowledge, expertise and unique ability to approach any given market to create a special experience for your audience. My goals are to design fun, engaging and eye catching pieces, whether it be for your special event or marketing pieces to help grow your business, and anything else you can dream up!

TESTIMONIALS

"Allie has been our go-to designer for almost 15 years. She is, without question, an intuitive, creative and business savvy artist. In the past, I invariably struggled overcoming the learning curve with designers. It is challenging to convey the vision and goals of our company and pinpointing the specific targets for a project. Allie has an unparalleled ability to pick up on the 'vibe' of our operations and to create both large and small campaigns that not only meet my expectations but add value to what we originally planned. She is creative. She is smart. She understands the market. She understands business analytics. She is organized. She is timely. She keeps her team on track. She produces beautiful work product. She gets results. And, she is a delight to work with. I can, with great confidence, recommend that Allie Nicole would be an asset to any organization fortunate enough to work with her."

Lynn Ledford
CEO Cal Elite Kids
Founder of Sweet Peas Gymnastics

"Allie Nicole is one of the most AMAZING creative designers and marketing team members we have had on staff at Cal Elite! Her eye for detail, beautiful use of imagery and knowing what is cutting edge sets her apart from the crowd. She is extremely knowledgeable about how to get things done on a budget and timely. Love love love her! Highly recommend her services!

TESTIMONIALS

'Allie is extremely creative and was willing to work with me to ensure that all my marketing materials were first class. I specialize in selling luxury properties for our company, so it is very important to my business to have top deliverables when meeting with clients to obtain their listing and to provide to the buyers of these listing. I want to truly represent the property in the best light. Allie would work with me one on one and went above and beyond to always make sure that my needs were met. The real estate business (especially in the last few years) is a fast-paced business. We can never take our eye off the ball. Allie was always right there with me every step of the way. After just a few times of working with her, she became intuitive to my needs and frankly my pickiness in our marketing products. On top of that, she has a very pleasant "eager to please" personality and takes pride in her work. She was willing to work long hours to make sure that no matter what I needed, that tight timelines were met and quality work was achieved. She will be an asset to any company that is lucky enough to work with her.'

About Allie

Hi there! I'm Allie Chapman, a GUILD status Certified Luxury Home Marketing Specialist and native Tennessean! I have lived in Columbia, Clarksville, Dickson and now reside in Murfreesboro, so I am highly experienced and knowledgeable when it comes to the surrounding areas of Middle Tennessee and the latest trends happening in our market.

I enjoy living a healthy and active lifestyle, such as working out, hiking and taking my Jeep out for drives in the beautiful outdoors. Some of my other interests include playing golf and attending soccer games at the new Geodis Park stadium in Nashville.

Before I ventured into the world of real estate, I worked in law enforcement, but my proudest title is that of "Mom" to my three children, Emmet, Parker and Asher.

I would love the opportunity to meet you and your families to share all the wonderful things Middle Tennessee has to offer and help you make the best decision to find that special place you can call home.

CITY SPOTLIGHT

NASHVILLE

Also known as Music City! Home to Country music, Grand Ole Opry, Honky Tonks, Rooftop Bars, and Nightlife. Artsy and eclectic!

FRANKLIN

A quaint, yet bustling affluent suburb 20 minutes outside of Nashville. Adorable Historic Main Street offers shops and dining options. A fast growing community.

MURFREESBORO

Just about 30 minutes outside of Nashville, a more affordable mini Franklin is located with good restaurants and shopping and home to MTSU.

MOUNT JULIET

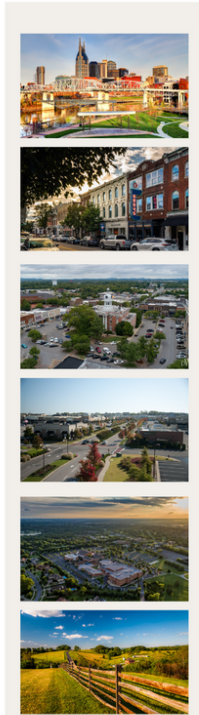

A city between two lakes, Percy Priest and Old Hickory, it is also known for it's equestrian country lifestyle and farms on top of farms. Just a short 40 minutes east of the city.

HENDERSONVILLE

Nestled 30 minutes north of Nashville is Franklin's little sister, on a lake! Ideal for the boating and water recreation enthusiasts.

DICKSON

Your small town USA dream starts here. Straight out of Friday Night Lights, enjoy quiet and peaceful country living in a charming nook, just 30 minutes west of Nashville.

CONCERTS & SPORTING VENUES

ASCEND AMPHITHEATER

Ascend is an open-air outdoor venue for concerts and events located at the Riverfront Park on the Cumberland River and includes seating and a large lawn area.

BRIDGESTONE ARENA

Bridgestone is the home of the NHL's Nashville Predators and all things Smashville! Located in the heart of Downtown, it is one of the city's busiest venues that house the most dedicated hockey fans, music, comedy and other entertainment fans.

NISSAN STADIUM

Nissan Stadium is the home of the NFL's Tennessee Titans! The outdoor stadium is located just across the Cumberland River with a short walk across the pedestrian bridge, adjacent to downtown.

TENNESSEE PERFORMING ARTS CENTER (TPAC)

TPAC is a different type of a Broadway experience! If you love the theater, TPAC offers live theater tour performances from some of NYC's famous Broadway shows.

THE RYMAN AUDITORIUM

Known as the "Soul of Nashville," it is the original home of the Grand Ole Opry. The Ryman is located downtown, across from Bridgestone Arena and the new Fifth & Broadway.

GRAND OLE OPRY

The Grand Ole Opry is the official home of country music. Located just minutes from downtown, it connects artists and fans for a true live music experience.

GEODIS PARK

Premier soccer stadium built in 2022, is the largest soccer-specific stadium in the United States and Canada.

WELCOME

Welcome to Music City!

We are thrilled to introduce you to the vibrant and growing community of Nashville. From the bustling downtown scene to the stunning natural beauty of the surrounding hills, Nashville offers something for everyone. Whether you're looking to immerse yourself in the rich history of Music Row, enjoy a sporting event, or explore the diverse food and art scenes popping up around the city, there's always something new and exciting to discover in Nashville. What truly sets Nashville apart is its sense of community. With friendly locals and a welcoming spirit, you'll feel right at home from the moment you arrive. As your guides to the Nashville real estate market, our diverse team of 20+ agents are committed to helping you find the perfect home to fit your unique needs and lifestyle.

We look forward to welcoming you to Nashville - let's find your dream home together!

WHY CHOOSE STEM?

STEM is an acronym that stands for "Science, Technology, Engineering, and Mathematics."

STEM education is increasing in popularity within the U.S., especially as more schools are implementing into their curriculum. There are some valuable benefits for children and their growing minds!

During STEM activities, children learn resilience as they learn to fail and try again, in a safe environment, as they learn the steps that will lead to success. Children can learn to embrace making mistakes as a healthy part of the learning process. STEM also encourages taking risks and experimenting, with a "let's see" approach and figuring out new solutions to achieve end results.

It harnesses teamwork and collaborating with other with different abilities and perspectives. It promotes ingenuity and creativity, critical thinking and problem solving skills, as well as confidence in working with new technologies in an ever-evolving and increasingly tech-centered world.

EXPRESSIONS

Taste MAKERS

Introducing children to cooking increases language development, enhances fine motor skills, increases mouth ability, teaches them focus and attention, independence, social skills. It helps promote a sense of accomplishment and boosts their self-confidence. Children who handle food are less likely to have food fears and have a greater acceptance of eating a variety of foods, while engaging all their senses: social skills such as communication and interacting with others.

Research studies also show that children who are introduced early to nutrition and cooking are more likely to make smarter food choices, eat more fruits and vegetables, and have a healthier relationship with food.

Parent and Me style class

The Sweet Peas curriculum is centered around excellent, progressive gymnastics training, which incorporates color recognition, language development, spatial relations, music awareness, measurements and counting skills. Sweet Peas learn how to listen to their teacher, follow instructions and wait for their turn. They learn to enjoy their own achievements and to encourage and applaud the success of their classmates.

We know that every Sweet Peas learns at his or her own rate. The Sweet Peas program engages children through expertly designed lesson plans that provide structure and productivity in the gymnastics classroom while at the same time allowing flexibility and pacing for each unique child. Gymnastics helps children develop strength, coordination, balance, power and flexibility.

Mpact Sports is excited to be the first in all of Tennessee to offer Sweet Peas. It is not only the first, but will be the only one in the Franklin, TN area.

OPEN HOUSE

September 20th 12:00pm - 2:00pm

Monarchs is opening its doors for our annual Open House to the community! Kids can participate in open play stations in our state-of-the-art facilities, win prizes and take home giveaways. FUN for the whole family. This year our Open House coincides with National Gymnastics Day where every child has the "Right To Play" and at Monarchs we love using gymnastics and play to empower children of all ages. This event is completely free, so come on by and play with us, we can't wait to see you!
